Aurora West College Preparatory Parents and Guardians:

This is a call on behalf of Principal Taya Tselolikhin. The lockdown at our school has been lifted and students are being dismissed in an orderly fashion. APS security officers and the Aurora Police Department investigated a possible threat. There were rumors of an armed individual in the area. However, police completed their search and did not find an armed individual. They have assured us that our school is safe.

Please know that we take all reports of threats seriously and work closely with law enforcement to investigate them. As always, we encourage our students to report any safety concerns to a trusted adult or anonymously through Safe 2 Tell at 1-877-542-7233.

Once again, we are dismissing students in an orderly fashion. Also, the middle school soccer and basketball games have been cancelled.

Thank you for your support.
